FROM THE EXECUTIVE DIRECTOR

Dear Friends of Catholic Charities,

Preparing for our 60th Anniversary Annual Report and looking through the archives of the organization, I reflected on how the past leaders of Catholic Charities paved the way for me. How blessed and grateful I am to have played a role in this history for the past 15 years!

Over the years, we've seen many programs come and go, bringing us to where we are today. All had one thing in common: staying true to our mission of helping the less fortunate and the most vulnerable in our communities. Beginning with the bedrock of our foundation – providing professional counseling services to those who could not afford to go elsewhere – to where we are today is truly a demonstration of God's faithfulness.

I'd like to highlight just a few of the milestones in our journey and recognize some programs that many of you may remember. Two of the major points were the shift of affiliation of our agencies from the Archdiocese of Detroit to the Diocese of Lansing in 1971 and the merge of the two agencies in 2010. Catholic Charities of Lenawee County was probably best remembered for having the *Big Brothers Big Sisters Program*, the *Youth Companion* (a.k.a. Friendly Gorilla) and *Parent Aide Programs*, and the integration of the *Family Awareness Center* into the agency. Catholic Charities of Jackson County was well known for services such as the *Retired and Senior Volunteer Program (RSVP)*, *Respite Services*, and the *Afterschool Program*. Today, we provide **Counseling Services** in all three counties (still our foundation), enhanced to include specialized trauma services and counseling at our Catholic elementary schools, as well as expanding a growing **Substance Abuse Program** which now includes prisons throughout the state. **Foster Care and Adoption Services** now cover all three counties. Two **Child Advocacy Centers** have been established, serving all three counties. Smaller outreach programs specific to each county include the **Roadmap to Graduation** program for homeless youth in Lenawee, **Bags of Hope** in Lenawee and Hillsdale, and the **Personal Needs/Linen Closet** and **Senior Transportation Services** in Jackson.

I would like to extend my gratitude to the Board of Directors, my mentors, staff and pastors for their continued support, and to Bishop Boyea for having faith in me to lead the merge of two outstanding agencies. Most of all, I would like to thank our donors for trusting in us to use your generous contributions to help others, always staying true to our mission. Although we as a Catholic organization may be faced with many challenges, it is my hope that with God's grace, Catholic Charities of Jackson, Lenawee and Hillsdale Counties will continue for another 60 years in *Providing Help and Creating Hope* in our communities.

God's Blessings,

Sue Lewis
