Greetings!

It's back-to-school time already and before we know it, the leaves will be changing to the beautiful shades of autumn. We're busy keeping up with expanding services and caseloads despite the lingering effects of the pandemic.

Catholic Charities counts on your prayers and financial support as we work to meet the needs of our neighbors. Donations - no matter how big or small - are always appreciated.

Credit Unions Help Raise Money

In early August, the Southeast Michigan Credit Unions combined forces to make a big difference. Our two Child Advocacy Centers were the focus of fundraising through their charity golf outing. With perfect weather for golfing, everyone had a great time. Thank you to the generous sponsors, participants, donors, and planning committee who made it all possible.

Following are some of the practical ways you can spend your heaven “doing good on earth”:

- Name Catholic Charities a beneficiary in your Will or Trust. You can give a percentage or a set amount to Catholic Charities or you can give a specific asset. [\(continue reading\)](#)

Foster Families Needed

Catholic Charities has provided foster care services for children across Jackson, Lenawee and Hillsdale Counties for almost three decades. We need to continue to be here to provide stable and loving homes. Currently, we are in great need of additional homes for the kids in our care and we urge you to consider the rewarding journey of fostering.
