Greetings!

COVID-19 continues to challenge our communities – and Catholic Charities – and we recognize that our work is increasingly important. The resolve of our organization is unwavering, and we will move ahead to serve those in need despite the challenges and obstacles resulting from the pandemic.

As always, Catholic Charities appreciates your prayers and monetary donations as we work to meet the needs of our neighbors. With faithful work, we are focused on *Providing Help* and *Creating Hope* for anyone who comes to us for help.

Going on Now!

It's that time of year again! St. Patrick's Day Box Lunches...

It's time to order your box lunches for our annual St. Patrick's Day fundraiser on March 17, 2021. For **\$10 per box lunch**, you will get a corned beef and Swiss sandwich on rye, potato chips, freshly baked cookie, coleslaw, and accoutrements. **Orders must be placed by February 28, 2021.**

To safely accommodate everyone, boxed lunches will need to be pre-ordered and prepaid online to keep everyone protected while respecting the protocols recommended by the CDC. Purchases can be made online by clicking [HERE](#).

Please note that we are unable to deliver box lunches this year. We will offer drive thru pick up to help keep everyone as safe as possible.

For the details on ordering and pickup, you can download a flyer by clicking [HERE](#).

Wishing you a pot o'gold and all the joy your heart can hold.

We Are Getting Close...

In 2019, we began planning for the expansion and renovation of the Jackson County Child Advocacy Center (JCCAC) building on Wildwood Avenue; however, this project was not exempt from the effects the coronavirus has had on doing business. We are close to breaking ground, but we still need to close the gap between the monies already raised and what is still needed to make it happen.

The expansion and renovation of our existing building will allow us to better serve child sexual abuse victims with added space to accommodate the needs of these children and their families.

We need your help to get this project off the ground. For more information and how to donate, please go [HERE!](#)

Update on our Response to COVID-19

Most of the services at Catholic Charities are up and running; however, we suggest that you call ahead to verify potential cancellations or modifications to our in-person programs and services. We continue to implement agency-wide procedures to keep our staff, clients, and volunteers as safe as possible when in our buildings. We have guidelines in place for wearing masks, staggered appointment scheduling, and social distancing. We have also implemented new technologies and procedures to facilitate remote counseling for medically at-risk clients.

If you have questions or concerns, please discuss them with any of our staff members.

Year-end Donation Statements

Catholic Charities does not send out year-end donation statements for tax filings unless requested. If you require a statement for your 2020 giving, please contact Kellie Gainey at kgainey@catholiccharitiesjlhc.org or call (517) 262-0466.
