## Executive Director's Message

Greetings Friends of Catholic Charities,

*Providing Help, Creating Hope.* This is our motto at Catholic Charities, one that hasn't changed in our organization for nearly 20 years. Many organizations like to change their motto every few years to keep up with the current language or key words of the times, but for us, this one is timeless. In the words of Pope Benedict XVI from his encyclical *Spe Salvi*, "The one who has hope lives differently; the one who has hope has been granted the gift of a new life." We realize that only God can grant that hope. However, if we at Catholic Charities can play even a small part in creating that hope through our support and services to individuals and families who come to us for help, then perhaps people will encounter God through our work.

The help we provided at Catholic Charities in 2022 demonstrated our sincere efforts to open the door to those in need and show them there is still hope. We provided help by counseling those suffering from emotional problems or substance use disorders, and by offering an array of services for children who were victims of abuse. Seniors transported to medical appointments through our Transportation Services were provided with help when they had no one else to call upon. Many of our children in foster care were adopted last year; not only were they provided help with a loving temporary family, but they were given hope for the future through the gift of a forever family. Our work continues and often expands each year as the need is identified and our budget allows. There are countless stories of how we *provide help and create hope* daily at Catholic Charities displayed in this annual report.

We are given the gift of hope by God. Through the generosity of our donors, volunteers, and community, we are able to share it with others.

In gratitude,

## A Note from the Board President

What does it mean to give hope to another person? At Catholic Charities, our mission is clear: *Providing Help. Creating Hope.* Our sprawling agency -- 13 Catholic parishes in Jackson, Lenawee and Hillsdale counties -- does this in several ways. With your help, our dedicated staff members support foster parents and children in a growing number of foster homes; encourage those in prison to grow and change through licensed counseling services; provide essential transportation to medical appointments for senior citizens, with increased demand after COVID; and compassionately support those grieving over the tragic loss of a child, spouse or loved one. Hope is alive! With sincere and heartfelt gratitude, we thank you for your support. Mary Queen of the Church, pray for us!

## For Children

Award winning filmmaker Sasha Neulinger was our keynote speaker at an event held for child abuse and prevention awareness month. Staff from our Lenawee County Child Advocacy Center and our Children's Trauma Assessment Center hosted the community event in April.

2022 saw the opening of our Children's Trauma Assessment Center. This new program provides in-depth neurodevelopmental screenings for children who have endured trauma, helping identify the resources they need, connecting them with professionals, and offering hope for a brighter future.

Our Foster Care and Adoption program participated once again in Operation Good Cheer, ensuring the kids in our care had a great Christmas.

The Lenawee County Fairgrounds was the site of our Truck-a-Palooza event, a fun event for kids. Held during child abuse awareness month, this new event featured trucks and other vehicles of all kinds, giving an up-close look at how they work.

## For Seniors

Our amazing group of volunteer drivers works hard to get local seniors to and from their critical medical appointments through our Senior Transportation program.

## For Families

Our St. Patrick's Day box lunch event is always a team effort. We rely on the dedication of our volunteers to make this event a success, helping raise money for our various programs and services.

## For Our Community

Our Faith in Action event keynote speaker was the Honorable Michelle Bianchi, Probate Court Judge from Hillsdale County. Judge Bianchi gave the audience a clear image of how she sees the impact our work has in the community. Board President, Dan Bishop delivered remarks at our Faith in Action fundraising event.

We are blessed to have the strong support of the clergy from our local parishes. Here, the priests and deacons in attendance at our Faith in Action event celebrated mass to start our evening and lead the crowd in a closing song.

Adoptive parents Becky and Nick Boak shared their story of working with Catholic Charities to foster and adopt their children.

*Catholic Charities staff thanks our donors, volunteers, and supporters. We could not do all we do without the help of our community.*
