Catholic Charities of Jackson,

Mass at 6:00 pm | Dinner to follow

## The Importance of Sponsorship

Our 2025 Faith in Action fundraising event will help us fund our programs now and in the future. We need to raise approximately \$15,000 in sponsorships to underwrite the cost of the event.

### The Impact of an Underwritten Event

When event costs are underwritten by its sponsors, we will not have to charge a ticket price. Research shows that guests make larger donations at fundraising events when they do not have to pay an entry fee.

When overhead costs are covered, we can make it known to our guests that 100% of their donation at the dinner will go directly to work in our communities. This can be a powerful giving motivator for our guests.

A final consideration: the impact of underwriting (sponsoring) this dinner extends far beyond the actual dollars given to support the costs of this event! Your support ensures the least among us in our communities will receive the help and hope they need. As Mother Teresa said, **"What I can do, you cannot. What you can do, I cannot. But together we can do something beautiful for God."**
