Greetings!

We greet you in the thick of autumn and hope you are enjoying the colorful foliage and crisper air of November. At Catholic Charities, we are still counting the blessings and graces received from our 9th annual *Faith in Action* Fundraising Event held in September and wish to express our most profound gratitude for everyone who joined us for the occasion, including our sponsors, speakers, clergy, guests, and donors.

As we approach Thanksgiving and Christmas, we turn our attention to our end of year giving campaign and ask that you consider Catholic Charities in your holiday giving. The hope and help Catholic Charities provides to our communities is even more necessary in this season due to the many challenges people are facing during this time.

Thanks for being one of our engaged community members! We appreciate you. Please continue to keep our agency in your prayers.

## 9th Annual Fundraising Event A Success

We are pleased to have concluded our 9th annual ***Faith in Action*** event and want to thank all the attendees, speakers, donors, and sponsors who made our event a success! Once again, over 200 attendees filled Our Lady of Fatima Church in Michigan Center for a night of celebration and action to benefit the many programs of Catholic Charities and most importantly, the children, families, and individuals from Jackson, Lenawee and Hillsdale Counties who come to us every day for help and hope.

The evening began with Holy Mass and was followed by a wonderfully catered meal accompanied by information and stories about our work. This year featured **Mr. Adam Janke** from **St. Paul Street Evangelization** as our keynote speaker, who emphasized the connection between the mission of Catholic Charities and evangelization. Our Executive Director, Sue Lewis, was also honored for her 21 incredible years of service at Catholic Charities.

Every year, this important fundraiser helps support our work all year long by raising money for our general operations. If you were not able to make it, or want more information on how to support Catholic Charities, click [here](#).

## St. Teresa of Calcutta Giving Society

### St. Teresa of Calcutta Giving Society

November began with the liturgical feast of All Saints' Day. We recognize Mother Teresa of Calcutta as one of our patron saints at Catholic Charities and strive to create hope and provide help for those in need in our communities, like Mother Teresa did in hers.

Our *Faith in Action* event celebrates this legacy of hope embodied in the life of Mother Teresa and those who show their commitment to Catholic Charities through membership in our St. Teresa of Calcutta Giving Society. We invite you to learn more about the Giving Society and to discover more about your own patron saints!

## Christmas Update

Thanks to your incredible generosity, our Christmas in July campaign raised enough to enroll *all* of our foster kids in the [Operation Good Cheer](#) program.

The Christmas season is always a special — and busy — time for our foster care and adoption team. On December 6th, volunteer pilots will fly in Christmas presents for the kids, and our staff will make sure every gift finds its way to a very deserving child.

Because of you, our kids will experience the magic and joy of the season. **Thank you for helping make their holidays brighter!**

## Angie Atkin

Angie Atkin has been on the CCJLHC board since 2018 and currently holds the position of Board Secretary. Angie is a Human Resources professional and has dedicated her career to driving people initiatives and workforce engagement. She is employed at Brazeway, where she has worked for 27 years and is currently the Director of People. Beyond her professional pursuits, Angie is passionate about giving back to her community. She provides HR guidance for CCJLHC and also sits on the Fund Development Committee for the agency. Angie, her husband Scott, and children Luke and Emily, live in Manitou Beach and are members of St. Mary on the Lake Catholic Church.

When asked why she is involved with Catholic Charities, Angie responds:

*"Volunteering as a board member for Catholic Charities is deeply meaningful to me because it gives me the chance to live out my faith through service. Giving back to my community, through volunteering, allows me to support those who are most vulnerable and to help create hope where it's needed most. The employees and board members of Catholic Charities understand the needs of our community and in return, provide vital programs for individuals, families and children...programs that truly uplift people and change lives."*

# November is National Adoption Month

November is #NationalAdoptionMonth!

National Adoption Month is an initiative of the Children's Bureau of the Administration for Children and Families. Its goal is to increase national awareness and draw attention and support for the thousands of teens in the U.S. foster care system who are waiting for permanent, loving families.

At Catholic Charities of Jackson, Lenawee and Hillsdale Counties, our foster care department is dedicated to recruiting, training, and licensing loving foster homes for children ages birth through 17 years. The children we serve have been removed from their biological homes by the courts because of abuse or neglect.

If you feel called to become a foster or adoptive parent, visit our [website](#) to learn more.
