Greetings!

School is back in session - where did summer go??

I'll keep this message short because I want to draw your attention to the information below (and I am sure there are several of you reading this now dealing with snack packing, homework, and earlier bedtimes!).

On September 22nd, we will host our **10th Annual Faith in Action Fundraising Dinner**.

The important work we do would not be possible without the generosity, support, and prayers of faithful friends like you. I hope you will prayerfully consider joining us as we celebrate God's work in our communities and invest in the lives of those we serve.

Yours in faith and service,

Niki Wilson

Volunteers in Action

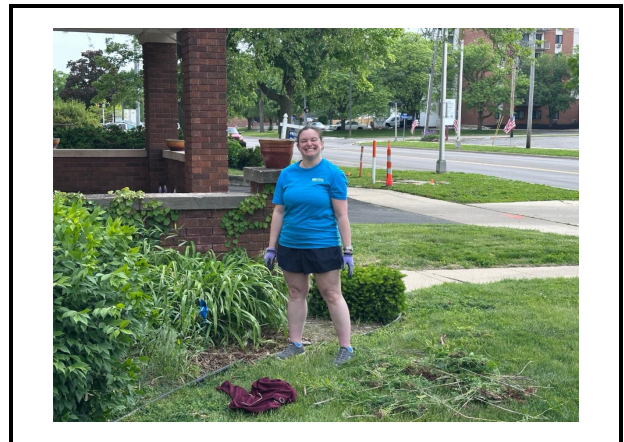

Recently, volunteers from Lenawee Leadership came out to our Child Advocacy Center in Adrian to help with some improvements. Both inside and outside were spruced up, including some painting, cabinet replacement, landscaping, deep cleaning, and more.

Our CAC staff notes:

It is pretty amazing to see SO many amazing professionals and businesses commit to serving the families we serve! Lenawee Leadership was split into 4 groups; each group had to research and create a presentation about an area nonprofit. Upon the conclusion of the presentations, they voted on which agency to serve. The CAC won by a landslide.

The group that chose our agency came for a tour, took our materials and read them, visited the agency again closer to the presentation to take measurements etc. Our group was INVESTED and committed to WINNING!!! It was pretty cool! Our families took IMMEDIATE notice of the changes and could not stop talking about how nice everything looked!

We are blessed to have this hardworking crew helping out! Thank you, Lenawee Leadership!

Backpack Heroes

Thank you to our new sponsor **Finished Concrete** of West Branch, MI for stepping up to ensure the children we serve are all ready for the new school year. Because of their generosity, each school aged child in our foster care program will have a new backpack filled with supplies. Thank you, Finished Concrete!
